Dear Community Service Provider:

I am writing to inform you of the services that the Worcester County Bar Association provides to the community.

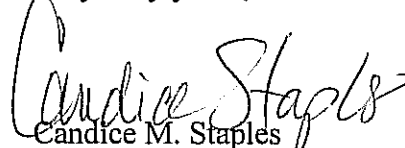

The Worcester County Bar Association is a non-profit professional association of Worcester County lawyers. The Bar Association established a Reduced Fee Program as a service to the community. The Reduced Fee Program is designed to serve an often overlooked portion of the community where the household income exceeds the eligibility requirements for free legal assistance, yet fails to make hiring a private attorney a viable option.

Attorneys in private practice in Worcester County have agreed to handle cases through the Reduced Fee Program and charge no more than \$75.00 per hour for their services. A simple one-page application must be filled out to determine if the client meets the financial eligibility guidelines. Clients served must be residents of Worcester County. The Reduced Fee Program handles various legal issues including bankruptcy, mortgage foreclosures, wills, divorces, custody and evictions.

Please inform your clients of this valuable service. Our telephone number is (508) 752-1311 or toll free, 1-800-622-9700. The caller should indicate they need an attorney through the Reduced Fee Program.

If you need any further information on this program, please do not hesitate to call me.

Very truly yours,

Candice M. Staples
