

Worcester Parent / Caregiver Guide to Community Services

A project originally co-sponsored by the Child Abuse
Prevention / Protection Collaborative of the
Health Foundation of Central MA

Introduction

The purpose of this guide is to provide simplicity for Worcester parents and residents. Too often we find community members frustrated with the lack of available information, which leads to the misconception of lack of services. As you will discover in this booklet, there are actually many services available in our city and the surrounding area. People just need to know where to turn!

With this guide, we hope that people will now know where to go to for their specific needs. People often find themselves in tight situations that need immediate attention. Having one place to look is much easier than searching through an array of pamphlets, brochures, and booklets.

This is our 14th edition. We welcome feedback by consumers and service providers. For the sake of simplicity, which is our goal, we restricted the information provided in this guide to Worcester programs only.

Worcester Community Connections Coalition Family Needs Committee

While our intent was to include accurate data on local human service agencies, some inadvertent errors or omissions may have occurred and some changes will undoubtedly take place between printing and distribution.

(This Guide was printed in 2/21 and is updated every year)

AFTER YOU APPLY:

- Notify your landlord or lender you have applied for assistance. TO AVOID EVICTION, YOU MUST SUBMIT A WRITTEN DECLARATION: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/declaration-form.pdf>
- Seek Mediation. SEE MEDIATION SERVICES BELOW *if you have a rental assist. Applica the court can't proceed
- Try to pay what you can. You are still responsible for your housing payment and making partial payments shows a good faith effort
- For homeowners, it is important that you contact your mortgage servicer.
- Have patience. The process can take several weeks.
- You may also be eligible for local Emergency Rental Assistance. <https://www.housingtoolbox.org/covid-19-resources/emergency-rental-assistance-era-program-database>

****If you receive a notice to quit, you do not need to vacate your unit. First apply for funding.**

Information on the Eviction Moratorium / Can I be Evicted Now?

There is now a federal moratorium through March 31, 2021. The federal moratorium will prevent residential evictions for non-payment for qualified tenants who submit a written declaration to their landlord and meet other hardship qualifications. The Trial Court is now offering mediation to preserve tenancy. See below:

*The Foreclosure Moratorium for homeowners has been extended to 6/30/21.

Housing Mediation Resources: When to mediate?

Before any court eviction proceeding, After an eviction case has been filed in court BUT before any hearing date, Based on court referral.

- It is Free , It is Faster , It is Less Stressful , It is Private , It is Voluntary
- There is no third-party imposed decision; not a winner-lose outcome.

Bullying & Cyberbullying

Bullying occurs when one or more students act out three or more times against a targeted student(s) and this conduct is cruel, aggressive, one-sided, and involving an imbalance of power. The behavior puts the targeted student(s) in reasonable fear of harm, creates a hostile environment, and infringes upon target(s) rights at school.

It can be physical, verbal, emotional, or mental.

Cyber-bullying occurs when the aggressive student(s) use technology such as the internet, social media, email, or texting via cell phone to harm a target(s). With schools utilizing remote learning, cyber-bullying can also occur via Zoom, Google Classroom, or other remote learning platforms.

If you think your child may be the target of bullying you should:

Stay calm, listen to, support, and reassure your child.

NEVER tell your child to fight back or respond in an aggressive way.

Role-play to build your child's confidence to respond to aggressive peers peacefully.

Immediately make a report to your child's school.

Work with the school to ensure your child's safety.

Contact the **Police Department** if your child is in immediate danger, or if the aggressive behavior is occurring outside of school.

District Attorney Joseph D. Early, Jr.'s Office works closely with the Worcester Public Schools and conducts prevention and education programs. Please call 508-755-8601 with any questions or access <https://worcesterda.com/prevention/bullyingharrassment/> for additional information on anti-bullying presentations.

The Worcester Public Schools Bullying Prevention and Intervention Plan is available online at <https://worcesterschools.org/student-support/school-student-safety/bullying-prevention/> Reports can be made anonymously by calling 508-799-3472 or by email to ReportBullying@worcesterschools.net

NATIONAL GRID:

Forgiveness Program

- If you are on the National Grid income-eligible discount rate, owe at least \$300, and are more than 60 days past due on your energy bill, the Forgiveness Program from National Grid might be right for you.
- You will be put on a payment plan with a monthly budget amount. If you make payments on time, part of your past due amount may be forgiven (up to a maximum of \$12,000 per year).
- For more information or to enroll in the Forgiveness Program, please call 1-888-211-1313 for electric or 1-800-233-5325 for gas.
- Payment Plans
- If you are not on a National Grid income-eligible discount rate code, or you don't meet the Forgiveness Program guidelines, National Grid offers other payment plan options.
- A payment plan allows you to spread your past due amount over manageable monthly installments – with no down payment requirement during the COVID-19 pandemic.

Please enroll online at <https://www.nationalgridus.com/MA-Home/Bill-Help/More-Time-to-Pay> or call 1-800-322-3223.

Grandparents Raising Grandchildren

Taken from the resource guide produced by the MA Commission on the Status of Grandparents Raising Grandchildren.

See the rest of this guide for local phone numbers of services

Finances:

If you are the guardian of your grandchild, you are entitled to apply for **grantee relative benefits—a special type of TAFDC (Transitional Aid to Families with Dependent Children)** at the Department of Transitional Assistance (DTA).

Call DTA Central Office for more information: 1-800-445-6604.

Eligibility is based on your child's income, not yours! DTA will explain. Bring copies of the guardianship paperwork, proof of residence, and ability to show relationship to the child.

Other benefits you may be eligible for:

- If your grandchild is under FIVE years old, he/she is eligible for **Women, Infants, and Children (WIC)** which helps with milk, cheese, etc. Call **1-800-WIC-1007** for more information.
Note: Eligibility requirements for SNAP (the Supplemental Food and Nutritional Assistance Program) are not reduced for grandparents raising grandchildren; as a result, the grandparent's income is considered. However, various expenses and deductions are considered in determining benefits.
- If either biological parent is deceased, the child may be eligible for survivor benefits through **Social Security**.
If your grandchild has a medical or mental health disability, they may qualify as well.
- Your grandchild is eligible for **MassHealth** insurance! Take advantage of this service!
Contact the Department of Early Education and Care for information about income-eligible childcare or daycare vouchers at 617-988-6600
- **Note: There is new eligibility for childcare for some Grandparents Raising their Grandchildren. Please call your DTA office!!**

Support:

You may feel like you are the only grandparent raising your grandchild, but you are not! Find a local support group for grandparents. Go to www.massgrg.com for listings.

Additional TIPS for Grandparents

Raising Grandchildren

- Maintain good communication with schools, therapists, the court, etc. Good communication benefits you and your grandchild.
- Try to find a child therapist who specializes in child trauma (and accepts MassHealth). For younger children, consider play therapy.
- If your grandchild has been diagnosed with a mental illness and is covered by MassHealth, contact CBHI, or your local Department of Mental Health office.
- If they are struggling at school, you should ask the school for a TEAM evaluation. Your grandchild may qualify for an Individualized Education Plan (IEP). Make your request in writing!

Court:

To obtain custody of your grandchild, go to the Probate Court where the child lives and request temporary guardianship. In order to get guardianship of the child, his or her parent(s) must consent, must be found to be unfit or must be unavailable. The Clerk's office will have the paperwork necessary to get you started. You should bring the child's birth certificate with you if you have it.

- Temporary guardianship means temporary. The biological parents have a right to be heard and contest your request. The court will set a date for a hearing.
- If the Probate Court awards you permanent custody of your grandchild, know that permanent does not mean permanent. The biological parent may petition Probate Court in the future for custody of the child to return him/her.
- You do not need an attorney. If you have legal questions, there is an **attorney-of-the-day** at each court.
- If you do not have the child's birth certificate when you apply for custody, the court may allow you to file it in the future.
- It may be helpful to have a lawyer assist you. For lawyer referral information see www.lawlib.state.ma.us/lawyer/index.html or call the Senior Legal Helpline at 1-866-778-0939.

NOTE: If your grandchild is in the custody of DCF and you obtain custody in court– you may render yourself ineligible for the 'maintenance allowance', usually provided for Foster or Kinship Care. Please speak with DCF before you go into court.

If DCF has custody of your grandchild, you have the right to ask to participate in a home study and have your grandchild placed with you as a kinship foster parent. If you become the child's foster parent, you should receive foster care payments, MassHealth for your grandchild, and other services. Contact the child's social worker as soon as possible for more information.

Go to www.massgrg.com for more information!

Health Care

Need Health Insurance and Healthcare?

The Affordable Health Care Act requires all adult United States residents to have health insurance. Residents without health insurance face a tax penalty. If they can't afford it, residents with limited incomes may be eligible for MassHealth or ConnectorCare/Qualified Health Plans. Subsidized Housing (Based on household income)

Housing Authorities

There are over 240 Public Housing Authorities (PHAs) statewide, many offering both state and federal housing. Though most give preference to those who live or work in their community, still apply to many communities as you would be willing to relocate to in addition to your local PHA.

- There is now a centralized application for state funded public housing. Apply online at: <https://publichousingapplication.ocd.state.ma.us/>.
- PHAs must be contacted directly to apply for federally funded public housing.
- The wait lists for public housing is between 3 to 5 years. Emergency housing is 18 to 24 months. Waits may be shorter in smaller communities. If the wait list is closed in the community you are interested in applying for, check back often to see if the list is open.

Worcester Housing Authority (WHA)

40 Belmont St., Worcester - (508) 635-3300

Families/Individuals can apply in person or online at www.worcesterha.org

Privately Owned Subsidized Housing

To get a list of subsidized apartment complexes in Worcester County that rent on a sliding fee scale, call **CMHA at 508-791-7265** and leave name and address to receive a listing or go to Mass Housing's website at www.masshousing.com and click on rental housing

- Each site must be applied to separately.
- Call to request an application and to make sure their waiting list is open.
- Waitlists for subsidized housing are between 3 to 5 years depending on the complex

Mobile Rental Vouchers

Often referred to as "Section 8" - Mobile rental vouchers can be used anywhere in the community as long as the unit meets program requirements and rent limits. Vouchers are either federally or state funded.

- Apply for both types of mobile vouchers through WHA & RCAP Solutions.
- Waitlists for mobile vouchers are 10+ years unless you fall within priority categories (fire victim, victim of domestic violence, etc). Make sure you check as many preferences as appropriate to decrease your wait time. APPLY DESPITE HOW LONG THE WAITING LIST IS!

Worcester Housing Authority

40 Belmont St, Worcester, MA 01608

(508) 635-3300

IMPORTANT TIPS FOR SUBSIDIZED HOUSING

- Get on as many different waiting lists as you qualify for despite the lengths. Remember, you will never get to the top of a waiting list if you are not on the waiting list.
- If a waitlist is closed, check back monthly to see if it is open.
- Keep a log of all the places you apply.
- When you move, make sure you update all the agencies where you applied of your new address. Correspondence is by letter and one missed letter will result being taken off the list!! There are no exceptions.
- If you are denied housing, immediately contact **Community Legal Aid (CLA)** at **(855) 252-5342**. People are often denied for a variety of reason but are successfully able to win an appeal of that decision. Time for appeals is very limited and you must act immediately.

Helpful Homelessness Prevention Information from the Central Massachusetts Housing Alliance (CMHA):

- Everyone at one time or another falls on hard times. It's important to seek help BEFORE a financial problem becomes a crisis. There are many agencies that may be able to help with utility negotiations, landlord negotiations, advocacy, budgeting and some financial assistance.
- The earlier help is sought — the more likely a positive outcome. Visit CMHA's Housing Counseling (see pg. 75) for assistance in working out an agreement with your landlord or to explore other housing options as early as possible.
 - **Only a judge can order you to vacate your home. Do not leave early until you seek housing counseling (visit www.cmhaonline.org for housing counseling visiting hours) you leave before you are forced to go, you can jeopardize your ability to obtain emergency shelter because you rendered yourself homeless. To learn more about your rights as a tenant: www.masslegalhelp.org/housing-homelessness

Housing Discrimination

- It is illegal in Massachusetts to deny housing on the basis of race, color, national origin, gender, gender identity, sexual orientation, disability, ancestry, genetic information, marital status, veteran or active military status, age, familial status (i.e., children), and source of income (i.e., Section 8 voucher).
- **The Worcester Fair Housing Project (WFHP)** - a joint project between Community Legal Aid (CLA) and the City of Worcester - provides advice and representation to anyone in Worcester County who has been the victim of housing discrimination.
- Contact the Office of Human Rights, City Hall Room 101, 455 Main Street, Worcester, MA 01608 / 508-799-8486 or CLA at 405 Main Street, Worcester 01608 / 508-752-3718 / 1-855-CLA-LEGAL (1-855-252-5342 (www.communitylegal.org))

Eviction & Homelessness Resources

If you are homeless with a child under 21...

DHCD (Department of Housing & Community Development) Emergency Assistance (EA) Application Process

Call (866) 584-0653 and speak with a homeless coordinator to complete an intake assessment or emergency assistance application by phone
OR apply in person at the DTA/DHCD Office
(50 SW Cutoff Worcester, MA 01604)
8 AM-4 PM. *Get to the office as early as you can.*

Please follow the following steps:

DHCD EA Application Process:

Step 1: Are you qualified for EA?

- Must meet the gross income standards of EA (115% of federal poverty level).
- Household must consist of children under the age of 21 or a pregnant woman
- One member in your family must have legal status in the US
- Must be a resident of Massachusetts
- Must meet asset limits

Step 2: Are you eligible for EA?

- No fault fire, flood, natural disaster, condemnation or foreclosure
- Fleeing domestic violence, current or within past 12 months
- No fault eviction
- Child(ren) are exposed to a substantial health and safety risk

Step 3: Provide all requested verifications within 30 days. *Ask for "presumptive placement" if you do not have all requested documents when you apply.*

Step 4: Health and safety assessment will be conducted to verify housing instability. This is done through DCF. This does not mean a 51A is being filed against you. Homelessness is not a legal reason to lose your children in Massachusetts.

Step 5: If you are determined eligible for EA, you may be offered to choose HomeBase benefits or shelter placement. If you are determined ineligible for EA, you will receive a denial letter. *All denials may be appealed.*

Note: If you are determined to be eligible for EA, you will most likely be offered a shelter opening elsewhere in the state. DHCD will provide transportation to the shelter. If you refuse the placement, you will be terminated from EA and will be ineligible for shelter assistance for 12 months. You can apply to be transferred back to your home community once you are in your placement though it could take several weeks to months.

If you are denied and have no safe place to stay, ask to speak with a DHCD supervisor or contact Community Legal Aid. For additional questions, contact (866) 584-0653 or 877-418-3308 or go to www.masslegalhelp.org.

Homeless families who are not eligible for emergency shelter from DHCD:

The following are family shelters for families who are not eligible for Emergency Assistance through DHCD. There is a high demand for these rooms ("community beds") and they are often full. Call them directly to determine availability.

Why should you choose Mediation?

- It is Free , It is Faster , It is Less Stressful , It is Private, It is Voluntary
- There is no third-party imposed decision; thus, there is not a winner-loser outcome. Mediators are neutral.

OTHER PLACES TO APPLY FOR HOUSING IN WORCESTER

“Moderate Income Housing” allows a tenant to pay what is considered affordable for a median income family, or around 80% of the area median income (AMI). For example, a three-bedroom apartment may be around \$1,000/month (according to WCHR). To qualify for “moderate income housing”, tenants must meet a minimum income level. However, the rent price that will be determined is not based on the actual income/size of the household, so rent prices would be unlikely to change. Moderate income units tend to become available sooner than low income units.

Most of the Worcester area Community Development Corporations (CDC'S) and various housing complexes offer moderate income units.

ECONOMIC OPPORTUNITY

City of Worcester / LGBTQ Owned Businesses

For updated list or to add your business:

www.worcesterma.gov/business-community-development/diverse-business-directory

The City of Worcester Diverse Business Directory helps you discover businesses in Worcester that are owned by a broad spectrum of people, such as those with disabilities, veteran status, women, LGBTQIAs, minorities or New Americans.

The purpose of this directory is to highlight which businesses are diversely -owned, so that other small businesses, larger businesses, customers or potential clients who wish to work with or support these businesses can connect with each other. Explore the directory by searching on a business name, an industry or a self-identification category.

In order to be listed in the Diverse Business Directory, your business must be majority-owned (at least 51% ownership) by one or more of the following categories: Disability, LGBTQIA+, Minority, New American, Woman or Veteran.
